**Draft Environmental Assessment for Cargill, Incorporated Solar Sea Salt System
Maintenance and Operations Activities**

The Lead Agency has updated the Notice of Intent (NOI) for the above-referenced project.

This Notice of Intent to Finalize an Environmental Assessment (the "NOI") for the Cargill, Inc. Solar Salt System Maintenance and Operations Activities Project (the "Project") is substantively the same as the NOI attached to the Draft Environmental Assessment (the "EA") for the Project published to SCH/CEQAnet on April 30, 2021.

An updated version of the NOI is simply being provided to reflect a minor typographical correction to the hyperlink URL address to the Draft EA specified on page two of the NOI under the "Availability of Materials" section of the document: <https://www.bcdc.ca.gov/CargillEnvironmental-Assessment-Draft.pdf>

No other change has been made to the NOI. Please refer to the updated attachment titled "**Cargill - Notice of Intent to Finalize Draft EA**".
